AFRICAN RECORDER

ANNUAL INDEX 1977

January 1—December 31, 1977

(COPYRIGHT)

This is the ANNUAL INDEX of AFRICAN RECORDER covering the period January 1 to December 31, 1977 (issues Nos. 1 to 26 of Vol. XVI). It incorporates the HALF-YEARLY INDEX issued to you earlier covering the period January 1—June 30, 1977.

As soon as you receive this ANNUAL INDEX, please discard the HALF-YEARLY INDEX from the file and insert this at the end of the Volume.

The armed conflict in the Horn of Africa is dealt with under the participant countries — Somalia and Ethiopia — as well as under USSR, which has supplied arms to Ethiopia. The developments in West Asia are dealt with under Egypt under two headings—Defence and Foreign Relations—as well as under ISRAEL, USA and USSR. General items on Africa are placed under Africa—A. Items recorded under "Africa Outside Africa" have been indexed under an appropriate form-heading of the relevant country and its proper alphabet.

The abbreviations for countries as well as the usual form-headings are given in the explanatory note on How to Use the INDEX pasted on the inside of the back-cover of the binder under the heading INDEX EXPLAINED.

Issued with **March 12—25, 1978** **Regd. No. D-(c)-112 Vol. XVII No. 6**
